§4010.10

- (c) Subsequent submissions. If unaudited financial statements are submitted as provided in paragraph (a)(2) or (b)(1) of this section, audited financial statements must thereafter be filed within 15 days after they are prepared, if they are prepared. If federal tax returns are submitted as provided in paragraph (a)(3) of this section, audited and unaudited financial statements, if prepared must thereafter be filed within 15 days after they are prepared.
- (d) Submission of public information. If any of the financial information required by paragraphs (a) through (c) of this section is publicly available, the filer, in lieu of submitting such information to PBGC, may include a statement with the other information that is submitted to PBGC indicating when such financial information was made available to the public and where PBGC may obtain it. For example, if the controlled group member has filed audited financial statements with the Securities and Exchange Commission, it need not file the financial statements with PBGC but instead can identify the SEC filing as part of its submission under this part.
- (e) Inclusion of information about nonfilers and exempt entities. Consolidated financial statements provided pursuant to paragraph (b)(1) of this section may include financial information of persons who are not controlled group members (e.g., joint ventures) or are exempt entities.

§ 4010.10 Due date and filing with the PBGC.

- (a) Due date. Except as permitted under paragraph (b) of this section, a filer must file the information required under this part with PBGC on or before the 105th day after the close of the filer's information year. The filing deadline is extended to the 106th date after the close of the filer's information year if the 105-day reporting period includes February 29.
- (b) Alternative due date. A filer that includes the statement specified in §4010.8(b)(1) with its submission to PBGC by the date specified in para-

- graph (a) of this section must submit the actuarial information specified in §4010.8(b)(2) within 15 days after the deadline for filing the plan's annual report (Form 5500 series) for the plan year ending within the filer's information year (see §2520.104a–5(a)(2) of this title).
- (c) How and where to file.PBGC applies the rules in subpart A of part 4000 of this chapter to determine permissible methods of filing with PBGC under this part. See §4000.4 of this chapter for information on where to file.
- (d) Date of filing.PBGC applies the rules in subpart C of part 4000 of this chapter to determine the date that a submission under this part was filed with PBGC.

§4010.11 Waivers and extensions.

- (a) Aggregate funding not in excess of \$15 million. Unless reporting is required by \$4010.4(a)(2) or (a)(3), reporting is waived for a person (that would be a filer if not for the waiver) for an information year if, for the plan year ending within the information year, the aggregate 4010 funding shortfall for all plans (including any exempt plans) maintained by the person's controlled group (disregarding those plans with no 4010 funding shortfall) does not exceed \$15 million.
- (b) Other waiver authority. PBGC may waive the requirement to submit information with respect to one or more filers or plans or may extend the applicable due date or dates specified in §4010.10 of this part. PBGC will exercise this discretion in appropriate cases where it finds convincing evidence supporting a waiver or extension; any waiver or extension may be subject to conditions. A request for a waiver or extension must be filed in writing with PBGC at the address provided in §4010.10(c) no later than 15 days before the applicable due date specified in §4010.10 of this part, and must state the

Pension Benefit Guaranty Corporation

facts and circumstances on which the request is based.

- (c) 4010 funding shortfall for waivers and exemptions—(1) General. Except as provided in paragraph (c)(2) of this section, a plan's 4010 funding shortfall for a plan year equals the funding shortfall as provided under ERISA section 303(c)(4) and Code section 430(c)(4) determined as of the valuation date for the plan year, except that the value of plan assets is determined without regard to the reduction under ERISA section 303(f)(4)(B) and Code section 430(f)(4)(B) (dealing with reduction of assets by the amount of prefunding and funding standard carryover balances).
- (2) Transition rule for plan years beginning before 2008. For plan years beginning before 2008, a plan's 4010 funding shortfall for a plan year equals the excess, if any, of the plan's current liability over the value of plan assets. For this purpose, both current liability and plan assets are determined in the manner provided in §4010.4(b)(3), except that assets are not reduced by the credit balance in the funding standard account.
- (3) Multiple employer plans. For purposes of §4010.8(c) and paragraph (a) of this section, the entire 4010 funding shortfall of any multiple employer plan of which the filer or any member of the filer's controlled group is a contributing sponsor is included.

[74 FR 11034, Mar. 16, 2009]

§ 4010.12 Alternative method of compliance for certain sponsors of multiple employer plans.

- (a) In general. Subject to paragraph (b) of this section, an eligible contributing sponsor (as defined in paragraph (c) of this section) of a multiple employer plan satisfies the requirements of this part for an information year if any contributing sponsor of the multiple employer plan provides a timely filing under this part for an information year that coincides with or overlaps with the eligible contributing sponsor's information year.
- (b) PBGC request for additional information. PBGC may request some or all of the information that would otherwise be required under this part from an eligible contributing sponsor that uses the alternative method of compli-

ance in this section. PBGC will make such a request no earlier than the date the information would otherwise have been due. The eligible contributing sponsor must provide the requested information no later than 30 days after PBGC makes the request. The requested information need not be submitted electronically.

(c) Eligible contributing sponsor. For purposes of this section, an eligible contributing sponsor of a multiple employer plan is a contributing sponsor that would not be subject to reporting if the plan were disregarded in applying the gateway tests in § 4010.4(a).

PBGC may also pursue other equitable or legal remedies available to it under the law.
